

Hepatitis B Vaccine – Declination Statement

I understand that due to my occupational exposure to blood or other potentially infectious materials that I may be at risk of contracting hepatitis B virus (HBV) infection. I have been given the opportunity to be vaccinated with hepatitis B vaccine, at no charge to me. However, I decline hepatitis B vaccination at this time. I understand that by declining this vaccine, I continue to be at risk of acquiring hepatitis B – a serious disease. If in the future , while employed by Van Buren County, I continue to have occupational exposure to blood or other potentially infectious materials and I want to be vaccinated with hepatitis B vaccine, I can receive the vaccination series at no cost to me.
